Meaning of Thanksgiving – Expressions of Gratitude

The meaning of Thanksgiving has undergone numerous transitions, an expression of gratitude for survival, a council's recognition of its flourishing community, submission of the local natives, the defeat over the British, resulting in a collection of our nation's traditions and values. Over the centuries, families added their customs to the Thanksgiving celebration, preserving that which they held most precious.

- ◆ To gather in unity – It is refreshing and invigorating when people come together, in celebration of a common purpose. It is a reconciliation of differences as well as a time of healing. In sharing our victories as well as our struggles, we find strength and hope.
- ◆ To teach the young – In stories retold, each generation brings purpose and significance to the richness of their heritage. Faded pictures, sentimental knick-knacks and the meal all form a Thanksgiving family legacy.
- ◆ To prepare the heart – In gratitude, we humbly reflect upon all the gifts (family, friends, health) that saturate our lives. By “giving-thanks” we choose to extend ourselves and give to others less fortunate. Out of the abundance of our hearts, we are able to offer our resources to help others. victories as well as our struggles, we find strength.

NOVEMBER 3RD — ROLL BACK YOUR CLOCK

Remember to turn your clocks back one hour! Daylight Saving Time ends Sunday, Nov. 3rd at 2:00 a.m. While you adjust to the time change, it is also important to think about how the change may affect your personal safety. The following tips are provided to help you prepare for the longer nights:

- If you walk or ride a bike, make sure to wear reflective clothing and take a flashlight with you.
- Ensure there is sufficient lighting around the interior and exterior of your home.
- Install motion sensitive lights or modify lights on timers for the additional dark hours.
- If you commute in the early morning or evening after dark: Check that your headlights are working properly, change your windshield wiper blades, and check the wear and tear on your tires.
