## DOES YOUR HOME NEED PAINTING?

If your entry doors, shutters, garage doors, siding, or stucco are faded, cracking, or in disrepair, it is time to paint. Ideally, you should paint your home once every 7 to 10 years to protect it from nature's harmful elements and moisture. If you are painting to match the exact color scheme, architectural approval will NOT be required. If you plan on changing the color scheme you will be required to submit an architectural application, for approval. Paint color scheme information is available from the community manager.

## WOOD FENCE PAINTING

It has been noticed throughout the community that some of the wood gates and fences appear to look faded or weather beaten. Please inspect the fences and gates on your property to see if they are in need of being stained. Unfortunately, the association does not have an HOA approved stain color: Please pick a shade that closely matches your current wood fence and gate.

Please note, we are also requesting prior to staining, you properly power wash the fence to eliminate dirt, mold, oxidation, etc. so when your fence is stained it is evenly coated. Should you have any plantings against the fence, please cut them back so you can stain your fence.

### **COMMUNITY REMINDERS**

- No unsightly articles shall be permitted to remain on any portion of a residence, so as to be visible from any other portion of the Community.
- Trash Bins are to be stored out of view, behind your side gate or in the enclosed garage. They are not to be stored in any location that they can be viewed from the public.
- Check your irrigation systems to make sure your sprinklers are in working order. Maintain lawns with regular maintenance of mowing, edging and watering. Reseed bare areas of your lawn.
- Please submit an Architectural application for any changes to your landscape or home.
- Please remember to utilize your garage to park vehicles before you park in the driveway.
- Clean the oil stains in the driveway.
- No Commercial vehicles are permitted in the Community.

### **TAKING PRIDE IN THE COMMUNITY**

A short drive around Lake Elsinore will quickly illustrate the differences in purchasing a home in an HOA vs. purchasing a home that is not part of an HOA. While a majority of homeowners want to maintain their home and protect their assets, what individuals consider the acceptable level of maintenance can differ greatly. The Association helps maintain property values in the community by ensuring that homeowners maintain their properties. When the Association identifies an issue, a compliance notice is sent as a means of communicating that attention is needed.

It's common for homeowners to look at their own property and think, "My yard is not as bad as my neighbors." However, this is really not the standard that is going to benefit the community. The Association would like to encourage homeowners to take pride in the community by doing simple things like spraying weeds, fertilizing plants, regularly mowing the lawn, wash your stucco and garage, if that doesn't work, think about painting and bringing in the trash cans after trash pickup. These things really make a world of difference!

Please thoroughly inspect your property and do the required maintenance on your home and avoid receiving violation letters!
